

“New Stakes and Challenges of the Industrial Insect Rearing Industry”

a follow-up industrial meeting of Insectinov’3 conference

Tuesday April 26, 2022 - 9H30-18H00, Biocitech Romainville (Paris)

8h45 Welcome coffee

9h20 **Welcome**
Sylvio BENGIO, Adebiotech

9h30 **Introductory Lecture by IPIFF**
Christophe DERRIEN, IPIFF
Regulatory update and future perspectives of the insect rearing industry sector

9h50-11h00 Session 1 – Entrepreneurship testimonies

Session chair: **Franck PIERRE**, Ynsect

9h50 **Cédric AURIOL**, Agronutris
France: the promised land for the insect rearing industry?

10h05 **Antoine HUBERT**, Ynsect
Title to be confirmed

10h20 **Chloé PHAN VAN PHI**, InnovaFeed
Title to be confirmed

10h50-11h30 *Coffee break, networking and Posters*

11h30-12h30 **Session 2 – Scientific and technical ecosystems supporting the global insect rearing industry; insect nutrition**

Session chair : **Philippe LE GALL**, *IRD*

11h30 **Philippe LE GALL**, *IRD*
GDR Insect Sud: Structure of the scientific insect research in France and Africa

11h50 **Marc BOLARD**, *FlyGenetics/ Nasekomo*
Genetic selection to improve the performance of the insect-based bioconversion sector

12h10 **Danish Technical Institute (DTI)**, speaker and title to be confirmed – Catherine x

12h30-14h30 *Buffet lunch / Posters / Networking*

14h30-16h30 **Session 3 – Economic aspects, Raw materials/ insect nutrition and Main Markets updates and investment strategies**

Session Chairs: **Cédric AURIOL**, *Agronutris* / **Charles DELANNOY**, *Procidys*

14h30 **Philippe LE SANN**, Investment banking, *Bryan, Garnier & Co*
Investments in the insect rearing sector (Title to be confirmed)

14h45 **Charles DELANNOY**, *Procidys*
Impact of the raw materials and nutrients availability on overall economic performance

15h15 **David GUERRAND** or **Achille LEPLAT**, *Lallemand*
Short focus: Fermentation-based technologies to optimize insect nutrition. A review on enzymes, bacteria and yeast solutions

15h30 **AQUACULTURE** Speaker to be announced

15h45 **PET FOOD** **Paola TEULIÈRES**, *Tomojo*
Testimony of a start-up in pet food

16h00 **INSECTS FOR HUMAN FOOD** Speaker to be announced

16h15 **FRASS AND FERTILIZATION** **Jean HAYAU**, *Groupe Roulier*
Title to be confirmed

16h30-17h15 *Coffee break/Posters/Networking*

17h15-17h45 **Round Table - Discussions and final conclusions**
