

“New Stakes and Challenges of the Industrial Insect Rearing Industry”

a follow-up industrial meeting of Insectinov’3 conference by Adebiotech

Tuesday April 26, 2022 - 9H30-18H00

Biocitech (Romainville-Paris)

8h45 Welcome coffee

9h20 **Welcome**
Sylvio BENGIO, Adebiotech

9h30 **Introductory Lecture by IPIFF**
Christophe DERRIEN, IPIFF
Regulatory update and future perspectives of the insect rearing industry sector

9h50-11h00 Session 1 – Entrepreneurship testimonies

Session chair: Frank PIERRE, Ynsect

9h50 **Cédric AURIOL**, Agronutris
Title to be confirmed

10h05 **Antoine HUBERT**, Ynsect
Title to be confirmed

10h20 **Chloé PHAN VAN PHI**, InnovaFeed
Title to be confirmed

10h50-11h30 *Coffee break, networking and Posters*

11h30-12h30 Session 2 – Scientific and technical ecosystems supporting the global insect rearing industry; insect nutrition

Session chair: Philippe LE GALL, IRD

11h30 **Philippe LE GALL**, IRD
GDR Insect Sud: Structure of the scientific insect research in France and Africa

11h50 **Marc BOLARD**, FlyGenetics/ Nasekomo
Genetic selection to improve the performance of the insect-based bioconversion sector

12h10 **Danish Technical Institute (DTI)**, speaker and title to be confirmed – Catherine x

12h30-14h30 *Buffet lunch / Posters / Networking*

14h30-16h30 **Session 3 – Economic aspects, Raw materials/ insect nutrition and Main Markets updates and investment strategies**

Session Chairs: Cédric AURIOL, Agronutris / Charles DELANNOY, Procidys

14h30 **Philippe LE SANN**, Investment banking, Bryan, Garnier & Co
Title to be confirmed

14h45 **Charles DELANNOY**, Procidys
Impact of the raw materials and nutrients availability on overall economic performance

15h00 Speaker to be announced

15h15 **David GUERRAND** or **Achille LEPLAT**, Lallemand
Short focus: Fermentation-based technologies to optimize insect nutrition. A review on enzymes, bacteria and yeast solutions

15h25 **AQUACULTURE** Speaker to be announced

15h40 **PET FOOD** Paola TEULIÈRES, Tomojo
Title to be confirmed

15h55 **INSECTS FOR HUMAN FOOD** Speaker to be announced

16h10 **FRASS AND FERTILIZATION** Jean HAYAU, Groupe Roulier
Title to be confirmed

16h30-17h15 *Coffee break/Posters/Networking*

17h15-17h45 **Round Table - Discussions and final conclusions**
