Altertox Academy - Jenny SANDSTROM - 3RCC Suisse (Français)
 Alors qu'une consultation populaire sur l'utilisation des animaux dans la recherche se tiendra en Suisse le 13 février, Jenny Sandström, Directrice du Centre Compétence 3R en Suisse (3RCC) répond à nos questions sur les possibles conséquences de cette consultation sur la...

About
 Discover the first series of podcasts produced by Altertox Academy (<https://academy.altertox.be>) and dedicated to the 3Rs centers in Europe. The 3Rs centers promote and encourage the replacement, reduction and refinement of animals used for scientific purposes. Jeanne Laperrouse meets the Directors of the centers and discuss progress towards the full replacement... [Show more](#)
